2016 Summer Program

GRE Tutoring

Instructor: David Moreau

Home institution: Princeton University , Researcher

Email: david.moreau@fulbrightmail.org

Office Hour: TBA

Teaching Assistant: TBA

Course Description:

The GRE Tutoring course is a preparation to the Graduate Record Examinations. It offers in-depth analysis and practice of all the sections covered in the GRE, to ensure students are well-prepared to take the test.

Course Objectives:

The main course goal is to prepare students to successfully take the GRE. To this end, the course will focus on:

- Practice tests to ensure the material is fully understood
- Group and individual feedback to maximize learning
- Advice to be able to digest all the material required and to peak on the day of the exam

Required Textbooks

Master the GRE, Peterson's (www.petersonsbooks.com)

Grading & Evaluation:

There will be not exam for this class. After completion of the course, students are responsible for enrolling in the GRE and taking the test.

-
