

A HAZMAT FRO Training for Students from South and East Asian Countries

October 19-20 at Douliou, Yulin, National Yulin University of
Science and Technology

**Do you know CAS RN is reaching 150 million soon?
Do you know Global Chemical Outlook II by UN predicting
chemicals productions going to double from 2017 to 2030?
DO you want to learn how to deal with chemical hazards?**

We welcome you to apply for our program supported by Taiwan EPA to train you as to an general level responder toward hazardous material incidents (HAZMAT). This program will provide you the knowledge, on-hand and practical experience to deal with HAZMAT.

We sincerely invited interested personnel such as college students, postgraduate ,Ph.D. student to apply. We would review your application forms and provide fully funds (accommodation, meals, and training fees) for training from 19 to 20 October 2020 at the National Yunlin University of Science and Technology.

Please fill out and submit the application forms on the website:
<https://reurl.cc/Z7njNa> before September 11, 2020, we will reply to your application on September 30.

2020 Taiwan-Southeast Asia Regional Cooperation Study and Training Program TSAST HAZMAT FRO Training and Study Workshop

Presentation ppt

All the applicants please submit a 10-15 pages ppt presentation about current your research material in Taiwan., including current environmental issues (such as air pollution, water pollution, solid wastes, chemicals...etc.) future environmental governance, regulation, and management policy as well as comparisons. The subjects on hazardous material, toxic chemicals, incidents, emergency response procedure, etc. are also welcome. We will select and invite some speakers to our workshop after the training program to present your topics. Thank you.

2020 Taiwan-Southeast Asia Regional Cooperation Study and Training Program - HAZMAT FRO Training

LETTER OF INDEMNITY (INDIVIDUAL)

To: National Yunlin University of Science and Technology:

In consideration of the National Yunlin University of Science and Technology (hereinafter referred to as the "YunTech") allowing me to undergo the Taiwan-Southeast Asia Regional Cooperation Study and Training Program - HAZMAT FRO Training (hereinafter called the "COURSE") at YunTech from 19th October to 20th October 2020, hereby undertake to:

- a. absolve the YunTech including its servants and agents, from all liability, howsoever occasioned (whether or not by any act or by any omission or neglect of the training establishment wherein I undertake the COURSE or by its servants or agents), which I may sustain by reason of or during my tenure of the COURSE; and
- b. indemnify and keep harmless the YunTech against all proceeding, suits, actions, claims, demands, costs and expenses whatsoever which may be taken or made against the YunTech or incurred or become payable by the YunTech in respect of injury (whether fatal or otherwise) to any person or damage or loss to any property occasioned directly or indirectly by any act, omission or other default by me while on or otherwise in relation to arising out of the COURSE.
