# Emergency Management and Transfer Services

Location : 1<sup>st</sup> floor, Gym

# Health Screening and Examination

## Health Examination for New Students

- **Time:** to be announced by OIA in the beginning of each semester
- **Location:** 2<sup>nd</sup> floor of the Gymnasium
- **Fee:** About **550NTD (cash)**

### Notes:

- Please come on time with one passport sized photo.
- Please have enough rest and drink enough water three days before the health test. On the day of the health check, please **do not take any food and water** 1 hour prior to the examination.
- On the day of the health check, please do not wear clothes with metal and shiny beads. Please do not wear any makeup, and don not bring valuable possessions.
- If you are pregnant or if you suspect a pregnancy, please let us know. You should not take X-ray scans.

# Ebola

## SIGNS AND SYMPTOMS OF INFECTION

\* bleeding from body openings may be seen in some patients

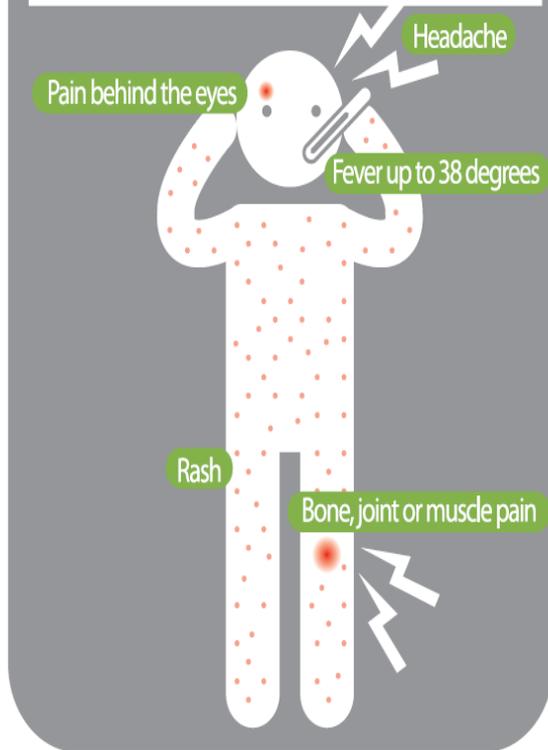

Coming to or returning to Taiwan **from epidemic areas**, please practice self-management of health for 21 days:

- Wash your hands often with soap and water.
- If you get cough, please put on a mask.
- If you feel ill, please call the health center 2737-6126 or toll-free hotline 1922(or 0800-001922).

# A mosquito bite is a piece of cake?

Don't neglect dengue hemorrhagic fever: without timely treatment, mortality can reach 50%

## Typical symptoms of dengue fever

## How to prevent infection:

- ✓ Empty containers and ornamental fountains or cover them with covers.
- ✓ Clean vases and ornamental fountains weekly.
- ✓ Flatten canvas covers and fill up holes on the ground.
